Control Panel

A screenshot of the GoToWebinar Control Panel window. The window title is "GoToWebinar Control Panel". It features a sidebar on the left with icons for navigation, audio, chat, and handouts. The main content area is titled "Audio" and shows three radio button options: "Computer audio" (selected), "Phone call", and "No audio". Below these is a red "MUTED" indicator with a microphone icon. A dropdown menu shows "Built-in Microphone" selected. A volume slider is visible below the dropdown. Another dropdown menu shows "Built-in Output" selected. At the bottom of the audio section, it says "Talking: theo mayer". Below the audio section are two expandable sections: "Handouts: 1" and "Questions". At the very bottom of the window, it displays "Webinar ID# 820-735-315" and the GoToWebinar logo.

Control Panel

The screenshot shows the GoToWebinar Control Panel interface. At the top, the title bar reads "GoToWebinar Control Panel". Below this, a "▼ Audio" section is expanded, showing three radio button options: "Computer audio", "Phone call" (which is selected), and "No audio". To the left of these options is a telephone handset icon. Below the radio buttons, the dialing information is displayed: "Dial: +1 (914) 614-3429", "Access code: 616-252-958 #", and "Your audio PIN: 103 #". A dropdown menu shows "United States" with a small American flag icon to its left and a double-headed arrow to its right. Below the dropdown, there is a link that says "Problem dialing in?". Further down, it says "Talking: Andrew McGreal". At the bottom of the panel, there are two expandable sections: "▶ Handouts: 1" and "▶ Questions". At the very bottom, the text "Webinar ID# 820-735-315" is displayed above the GoToWebinar logo.
